### From the Editor's Desk:

## One of Our Own Needs Help!!

News has come from Mr. Robert Harpin, and Mr. Charlie Stumph of IMS Health. Many of you might remember these gentlemen formally of D&B Aviation.

One of our own Maintenance Technicians, Mr. Paul Ahne, has been stricken with a life altering disease. A fund has been established to assist the family meet some of the financial burdens. You may send your donations to:

**Linda Ahne  
c/o BRING IT AHNE  
787 North Barry Ave  
Mamaroneck , NY 10543**

*Note:* In the memo section of the check, add" Bring it Ahne Fund"

## *President's Letter*

### **Greetings,**

First, I'd like to thank VOLO Aviation, our January sponsor, for securing a wonderful and interesting speaker, Brian Binnie of Scaled Composites. The prospect of experiencing first hand, someone from the Spaceship One team, drew many to what would have normally been a light January meeting.

Brian shared with us his love of flight since childhood, his experience in the military and eventual interest in the Spaceship One program with Burt Rutan. A great and sometimes amusing, narrative about his involvement with the Spaceship One was seen through an array of video and slideshow presentations that night. There were no doubt some of the greatest shots of Earth as seen from the Spaceship One camera, a very memorable night.

Brian Binnie is a Program Business Manager and Test Pilot at Scaled Composites. He has 21 years flight test experience including 20 years of Naval Service in the Strike-Fighter community. He has logged over 4600 hours of flight time in 59 different aircraft and is a licensed Airline Transport Pilot. You can read about Brian's biography and the entire team at Scaled Composites at: <http://www.scaled.com/projects/tierone/binnie.htm>

By now you should have received your 2008 renewal forms in the mail. As always, please help us by letting us know of any changes to your personal information so we may continue to maintain current data on the membership.

February's meeting will be the annual PAMA/WAMA meeting as hosted by the Teterboro PAMA chapter. Again, this year as in the past, the Graycliff Restaurant and Banquet Hall will host the event. This year, the meeting date will be on Feb 21, instead of and in observance of the 14<sup>th</sup>, (Valentine's Day) as it would normally be the second Thursday of the month. Rolls Royce has graciously accepted the role of the Feb sponsor by our own George Kleros and should be thanked for securing that commitment. Thanks George. This combined dinner meeting always has a large turnout and this year should be no exception. Don't miss it!

See you soon,

Respectfully yours,

Jody Kerton  
Vice President, WAMA
